

GUÍA PARA CREAR CUENTA EN GENIALLY

Para poder trabajar con genially es necesario crear una cuenta en genially e incorporarnos al grupo de trabajo de la UJA. De lo contrario no podremos hacer uso de las funcionalidades premium de las que disponen las licencias de la Universidad .

A line of text says 'or with your email and password:'. Below this are two input fields: 'Email' and 'Password' (with a toggle icon). There's a 'Remember me' checkbox and a 'Forgot your password?' link. A large blue button with a white 'X' is crossed out with a red 'X'. Below this, the text 'Login with single sign-on (SSO)' is circled in red. At the bottom, there's a link 'Sign up' preceded by the text 'Still haven't made an account?'. A red arrow points from the text below to the 'Login with single sign-on (SSO)' link.
